

Balloon Show

Magical Balloon-dude Dale

TECHNICAL CONTRACT RIDER

- 1) Purchaser shall provide and pay for the following at their sole cost and expense:
 - a) The stage is least eight inches height, four feet in deep, eight feet wide and ceiling height of eight feet. This is a minimum requirement for rooms, which do not already have a stage built in, and one must be set up. The ideal stage for a ballroom, theater, hall, etc. is a standard theatrical proscenium stage. Minimum ceiling height is 8 feet above stage platform, but if more is available, it will be used!
 - b) Required are stairs for audience participation if stage exceeds one-foot.
 - c) 90 minutes set up/sound check on stage, best without audience if possible, on day of event.
 - d) A clean, level and solid performance space free from band equipment or other act equipment
 - e) AC power sour available at front-center stage
 - f) One chair or stool to be used in the show
 - g) A washroom nearby
 - h) One bottle cold Mt. Dew
 - i) A complimentary parking space for a vehicle
 - j) **Lighting and Sound**, if you are providing a sound system and lights, the minimum requirement is one working wireless headset microphone **NO** lavalier or handheld microphones.
 - k) A technician able to set levels and monitor microphones throughout the show, if providing sound system.
 - l) Dale will provide a sound system and lights if not provided. Good acoustics and lighting are essential to the overall quality of the show.
