

- ✓ **What age/grade levels are the programs best for?**
These programs is a family show all ages best group is K-12.
- ✓ **What size of audience is best?**
The bigger the better, which translate into more money for the school! Yet, we are restricted by fire codes and if need can create a second show if needed.
- ✓ **How soon should I book?**
Dales's programs are extremely popular and it is recommended that you book as soon as you can. The sooner you book, the more likely you will get your desired date and time. PTO's have been known to book over a year in advance and as late as a week in advance. It's never too soon or too late so please, check availability with Dale. Text (708) 744-0234
- ✓ **Is the booking process easy?**
Dale's does all the work. Send contract for electronic signature and insure you have all the paperwork you need for the school district. All you need to do is sign the contract.
- ✓ **How much will be provided by my campus/organization?**
All the bells and whistles are provided by us. The programs are all self contained. We provide everything from a colorful backdrop to a full professional sound system. Just sit back and enjoy the show. We want to make it as SIMPLE and EASY as it gets! We just ask for an open space to set up the program, a comfortable space for the audience to be seated and a power outlet within 25 feet of the performance space. After your program(s) are booked, there is little to no work to do on your part. We will provide everything else you need to pull off a successful and unforgettable assembly!
- ✓ **How big of a space do you need to set up a program?**
10x12ft space (minimum) for best results. The programs can and have been set up in smaller settings such as libraries and/or classrooms. Most school programs are held in a gym or cafeteria.
- ✓ **How long does a program take to set up once on campus?**
We ask for 120 minutes of set up before the initial program. level. If there is a curtain on your stage, the set-up can easily be done behind it and while other activities occur. The performance space will need to be free of furniture and debris prior to this time.
- ✓ **How long do the programs run?**
Art of Inflation is a 45 minutes, with photo opportunity after the show we suggest planning an additional 20-30 minutes.
- ✓ **Do you provide sound equipment?**
Yes. We will even set up a microphone so that you can make your own announcements/crowd control before and after the show. We want to make it as SIMPLE and EASY as it gets!
- ✓ **Can I put a date on HOLD?**
The demand for programming is high! We can temporarily place a date on HOLD to insure that in doesn't get scooped up by someone else while you are making your decision. HOLDS are good for 3 days. We will keep in contact with you when the HOLD time is about to expire. We can occasionally extend holds if needed.
- ✓ **When is payment due?**
Payment is due on or before the date of the program(s). We understand the process that your purchasing department goes through to cut a check. As much as we would like to be paid as we are packing up from a great day of programming, we know that it may not always be possible. Please make arrangements in advance if more time is needed.
